

NEW FOR 2026

Wellcare Spendables® card payments via CareCredit Provider Center

The Wellcare Spendables card is a preloaded debit card offered to eligible Centene Medicare Advantage members, providing funds for specific health-related expenses. New for 2026, the card can be used for eligible* out-of-pocket dental, hearing and vision expenses at locations that accept CareCredit and opt in to accept the card.

Payments with the Wellcare Spendables card are processed exclusively through CareCredit's Provider Center.

WHY OPT IN TO ACCEPT THE WELLCARE SPENDABLES CARD?

There are **over 1 million** Wellcare Spendables cardholders.**

Access to additional funds can help them **move forward with recommended care.**

More treatment acceptance means **more potential revenue** for practices.

OPTING IN IS EASY!

To start accepting the Wellcare Spendables card, simply opt in following the steps below.

Log in to carecreditprovidercenter.com and follow the steps in the pop-up box on the homepage.

Once opted-in, start processing payments immediately. Use Provider Center for all Wellcare Spendables card transactions for secure, accurate processing.
